

Urban League of  
Long Island

*Greetings Community,*

The Urban League of Long Island, Inc. requests your nomination and/or sponsorship for inductees into the **National Achievers Society (NAS)**.

The **National Achievers Society** is an academic honor society recognizing the achievements of youth of color from throughout Long Island. **NAS** seeks to recognize and reinforce achievement among African-American and Hispanic youth, as well as other youth of color. The purpose of **NAS** is to create an environment that encourages achievement and excellence. The **NAS** reduces the negative peer pressure associated with academic achievement and makes “doing the right thing” cool again. The **NAS** draws positive local and nationwide attention to youth who demonstrate achievement in school, community, and in life.

To be inducted into the **National Achievers Society**, youth applicants must:

- Be in grades 3 – 12
- Have all As & Bs for the most recent report card period (prior to application submission)
- Submit two letters of recommendation
- Write an essay entitled “Why Achievement Matters”
- Be involved in school or community service
- Have a sponsor (\$50/youth) who is willing to serve as a positive role model in the participating child’s life

Each student who is accepted into the National Achievers Society will be inducted at a formal ceremony\* and will receive a National Achievers Society jacket or cardigan, as well as an achievement certificate.

Sponsors will receive a listing of the sponsor’s name and/or organization in the program itinerary, as well as the option to display their company or organization banner at the formal induction ceremony.

The enclosed application and sponsor form may be duplicated and distributed as needed.

**All completed applications and sponsors forms must be returned to the Urban League of Long Island, Inc., by Sunday, May 16, 2021 – Email Submissions Only!**

Thank you and we look forward to reviewing your nominations.

**Please submit questions and/or completed applications via email to:**
